

# Brahmaputra Cracker and Polymer Limited

[A Government of India Enterprise]

## IMS POLICY

We, at BCPL, are committed to provide continual improvement in Quality, Environment and Occupational Health & Safety management system practices and performances in line with BCPL's Vision & Mission.

BCPL is devoted to deliver best in class products, value added services to achieve total customer satisfaction and is equally sensitive to protection of the environment by prevention of pollution, work related injury & ill health. We are committed to provide safe and healthy working conditions for all stakeholders by reducing OH&S risks by eliminating OH&S Hazards and adhering to all applicable legal and other requirements that relate to Occupational Health & Safety Hazards by active employee participation & consultation. BCPL is equally sensitive to protect environment through sustainable development activities.

This policy is communicated to all employees and any other person working for or on behalf of BCPL. This policy will be communicated to all interested parties, including the public upon reasonable request.
